OWENS & PERKINS
ATTORNEYS AT LAW

Michelle J. Perkins, Esq., Managing Partner

In 1994, Ms. Perkins embarked on her legal journey, and after two years as a sole practitioner, she co-founded Owens & Perkins alongside her maternal grandfather, C.D. Owens – which proved to be a visionary move that fused old school values and traditions with modern legal expertise.

The firm's commitment to excellence endures to this day, marking a seamless connection between the past, present, and future.

In 2027, Owens & Perkins will reach a significant milestone as we celebrate our **60th anniversary** – a testament to six decades of dedicated service we are immensely proud of.

Throughout her career, Ms. Perkins has emerged as a prominent figure in high asset divorce, family law, estate planning, and probate.

Ms. Perkins' ethos of giving back is deeply ingrained, as evidenced by her substantial pro-bono contributions over the decades.

Her influence extends into the realm of justice as well, having served for many years as a Judge Pro Tem for the Maricopa County Superior Court.

Ms. Perkins' professional organizations include the Arizona Chapter of the Entrepreneurs' Organization, an organization dedicated to transforming the lives of entrepreneurs who transform the world of business, and Successful Women Owners Network ("SWON"), recognizing women who embody innovation, growth, community service and lifetime achievement.

As we continue to step into the future and a new era of legal practice, Ms. Perkins and Owens & Perkins epitomize the fusion of legacy and innovation, ensuring that clients receive not only seasoned guidance but also forward-thinking solutions that align with the demands of the modern world.
